## ACTIVITY REPORT 2018-2019

Fiscal year from April 1, 2018 to March 31, 2019

### Care at its best, with us, in Argenteuil!

#### A YEAR OF RENEWAL!

After having achieved great success with our outstanding 6-year campaign, **Opt for Health 2013-2018**, the Argenteuil Hospital Foundation has made significant changes, underlining a new start for the future of the Foundation: the arrival of a new enthusiastic Director who cares about the people in our community; the implementation of strategic planning for the years 2018-2022; the adoption of a new mission and vision; the creation of a new humane brand image, as well as the launch of a friendly, bilingual website including an on-line donation module. These positive changes contribute to the achievement of AHF's goals.

*Thanks again to all our donors and valuable volunteers! It is you who makes the difference!*

Gilbert D. Ayers, President

#### McHAPPY DAY

To benefit Canadian youth, the McHAPPY Day which took place on May 2nd, 2018, raised more than \$10,000 through the sale of products and voluntary donations. This sum, paid to the CLSC, youth sector (mental health) of the Argenteuil HMCS, enabled youth to participate in the Lachute day camp.

#### GASTRONOMIC DINNER AND AUCTION

On November 23, 2018, there was a special dinner to celebrate the launch of 2018-2022 projects and the presentation of our new website. During this fundraising evening, guests enjoyed a 4-course gourmet dinner which highlighted local flavors. Guests also participated in live and silent auctions. The evening raised more than \$20,000.

#### RUN FOR OUR HEALTH

For a second year in a row, AHF joined the St-Jérôme Regional Hospital Foundation on June 3, 2018, for the "Run for Our Health" event at Mirabel Premium Outlets. More than 80 Argenteuil participants raised nearly \$12,000 while doing physical activity. *Bravo!*

#### CLOSURE OF THE "OPT FOR HEALTH" CAMPAIGN

On June 14, 2018, the AHF reported an extremely positive assessment of its major campaign. Focused on improving healthcare in the region, this campaign raised more than \$2.2 million. This success is attributable to the participation and donations of the public, major donors, businesses, volunteers and Foundation partners which contributed to the purchase of specialized equipment and the well-being of users.

#### OUR MAJOR ACHIEVEMENTS

In 2019, the Argenteuil Hospital Foundation continued its mission by purchasing a Mini C-Arm (fluoroscope) for the operating theater. More than 400 to 600 new day surgeries (wrist, hand, ankle and clavicle) will be performed by our orthopedic surgeons as of September 2019. This acquisition represents an investment of \$204,000 which will be financed over a period of 3 years.

Also, in March 2019, the Caisse Desjardins d'Argenteuil agreed to fund two other essential devices: a pediatric colonoscope and a fetal heart monitor, for a total amount of \$41,000.

Additionally, during the year, various small pieces of equipment were purchased to meet the needs of the various departments: hemato-oncology, acute care and emergency unit, as well as the CHSLD units of the Pavilion and the La Fontaine.

#### TIM HORTONS SMILEY COOKIES

We can certainly say that Argenteuil was "all smiles" during the Smiley Cookie Campaign (September 2018) at the MRC's four Tim Hortons restaurants. The simple act of buying a cookie (decorated with blue eyes and a smile), made a true difference by raising more than \$9,000.
