

ACTIVITY REPORT 2019-2020

Fiscal year from April 1, 2019
to March 31, 2020

La Fondation de l'Hôpital d'Argenteuil / The Argenteuil Hospital Foundation

MISSION ACCOMPLISHED

I have been a trustee of the Argenteuil Hospital Foundation for eight years and the President since September 2019. I am proud to advise you that various successful fundraising activities took place over the 2019-2020 year. Even more outstanding is that many of these activities were organized or initiated by some of our own trustees. The success of this past year enabled the purchase of new and essential equipment for our hospital and also continues to ensure that we have greater visibility in the Argenteuil and the surrounding regions!

I wish to add that I can always count on our dynamic Board of Directors including 14 extremely active members who represent the region's various business sectors. Following an abrupt cessation of our activities last March due to the pandemic, I am pleased to advise that a few projects are already taking shape and this year looks quite promising.

Finally, I would like to thank all our donors, valuable volunteers and community members who are always there to support us and believe in us!

Eric Poulin, President

McHAPPY DAY

On May 19th 2019, McHappy Day helped us raise a total of \$8, 541 to be allocated to the creation of a new youth waiting room located in the emergency department of our local hospital. As usual, the people of Argenteuil were there as volunteers, customers or to make a donation. The Foundation wishes to dearly thank the Giguère Family and all the volunteers.

TIM HORTONS SMILE COOKIE

Last year the Smile Cookie campaign was held from September 16th to September 22nd 2019 in all 4 Tim Hortons locations within our MRC. These delicious cookies that make a comeback each year allowed us to raise approximately \$8, 900 for the Foundation. Special thanks to the Barbeau Family for these lovely Smile cookies.

FASHION SHOW

We also held the 9th annual Edition of our popular fashion show accompanied by a cocktail dinner. Due to the collaboration of different regional businesses, caterers and restaurants, this fun-filled, colorful activity allowed us to raise \$12, 000.

"COURIR À NOTRE SANTÉ"

For the 3rd year in a row, the Foundation participated in the "Courir à notre santé" race held by the St-Jerome Regional Hospital Foundation held at Montreal Premium Outlets in Mirabel. Thanks to our many runners and walkers, we raised a total of \$8, 801 which paid for the Mini C-Arm project in our surgery department.

GOLF TOURNAMENT

Our main annual fundraiser, the golf tournament, took place September 19th at Mirabel's "Club de Golf le Griffon des Sources". This outing included a round of golf, a cart, breakfast and a BBQ lunch which resulted in a profit of \$33, 000 for our Foundation.

MEREDITH MARSHALL SHOW

More than 120 people attended "Meredith and the Soul Marshalls" show which took place at the "Salle de Réception des Laurentides" in Lachute on October 19th, 2019. This event, sponsored by RE/MAX BONJOUR, was our first musical event in a long time.

MAIN DONATIONS AND ACTIVITIES 2019-2020

LA FONDATION DE L'HÔPITAL D'ARGENTEUIL THE ARGENTEUIL HOSPITAL FOUNDATION

Many thanks to our 2019-2020 volunteers and donors

Neuropsy Project

The AHF, on its own initiative, started a Neuropsy project in fall, 2019. This 3-year pilot project in our MRC will allow a yearly evaluation of 20 youth between the ages of 0 to 10 who require continuous neuropsychological support. These children are recommended by the CLSC, the GMF (Group of Family Medicine), the MRC d'Argenteuil youth center and the "Centre de Pédiatrie Sociale" in Lachute.

Mini C-Arm

In 2019, the Foundation purchased a Mini C-Arm for the surgery department. This pulse fluoroscopic equipment facilitates precise surgeries on different limbs such as ankles, wrists, hands and collarbones. More than 400 to 600 day surgeries will be performed per year in our hospital thanks to this piece of equipment. The initial investment of \$204,000 will be reimbursed within 2 more years.

Bladder Scan

Thanks to a donation from the Auxiliary of the Argenteuil Hospital, we were able to purchase a long awaited and much needed bladder scan for the Outpatient Clinic. This ultrasound equipment will help to prevent infections following surgeries.

Pediatric Colonoscope

We purchased a pediatric colonoscope thanks to the Caisse Desjardins d'Argenteuil. This specialized piece of equipment is more precise and is used in both the emergency and surgery departments. This colonoscope also reduces unnecessary out of town travel for patients who require these tests.

Miscellaneous acquisitions

Your donations also permitted us to acquire the following : fetal cardiac monitor for the emergency department, tablets for the patients to use while in chemotherapy, beverages and snacks for chemotherapy patients, commodes and sound mats for our residents in long-term care.

USERS COMMITTEE

This committee represents the users of the Argenteuil MCSSS of the Laurentian CISSS by:

- Informing them of their rights and obligations,
- Promoting the improvement of their quality of life,
- Defending their rights and interests,
- Accompanying them and assisting them in their efforts,
- Ensuring their satisfaction.
