2025-2026 ACTIVITY REPORT

Fiscal year from April 1, 2025, to March 31, 2026

PRESIDENT'S MESSAGE

The 2025-2026 fiscal year was marked by strong community support for our Foundation. Thanks to the generosity of our donors, partners, and volunteers, we were able to support several projects that directly contribute to improving healthcare services for our community.

Many meaningful initiatives became a reality thanks to your generous donations. Whether through the acquisition of equipment, the enhancement of care facilities, or support for various hospital departments, the impact of your involvement is both tangible and lasting.

As we begin a new year, we are pleased to announce the upcoming launch of a major fundraising campaign dedicated to the renovation of our palliative care rooms. This project aims to enhance comfort and warmth, creating a more suitable environment for patients and their loved ones during life's most significant moments. We hope we can once again count on the generosity and commitment of our community to bring this essential initiative to life.

On behalf of the Board of Directors and our staff, I would like to sincerely thank everyone who supports our mission. Your contribution truly makes a difference and allows us to continue serving our community.

M^e Carl Couture
President

OUR ACTIVITIES

McHappy Day – May 8, 2025

The Argenteuil Hospital Foundation was pleased to participate in McHappy Day on May 8, 2025. Thanks to the generosity of the community and the involvement of numerous volunteers and partners, a total of **\$14,500** was raised in support of the Neuropsychology Project, which provides neuropsychological assessments for children and adolescents in Argenteuil.

We would like to extend our heartfelt thanks to the Giguère family, owners of the McDonald's restaurant in Lachute, for their valued annual support.

Golf Tournament – September 18, 2025

The Foundation's annual golf tournament, held on September 18, 2025, at Le Griffon des Sources Golf Club, was a great success and raised more than **\$19,400** in support of the Foundation.

It was a wonderful day filled with sunshine, activities on the course, and a warm, welcoming atmosphere.

Thanks to the participation of golfers, partners, sponsors, and volunteers, this event once again demonstrated the importance of community engagement.

COMMUNITY FUNDRAISING ACTIVITIES

As part of our 2025–2026 external fundraising activities, the Pizza Hut restaurant in Lachute generously supported our Foundation by donating \$5 from every Triple Delight Box sold. Through this initiative, a total of \$1,115 was raised in support of our organization.

Ms. Michèle Bourgon, director of the Collective, kindly donated all proceeds from the sale of her book *Lachute, Terroirs de Souvenirs!* to the Foundation. Written by residents and visitors alike, this publication highlights memorable moments from the region's history. This remarkable initiative generated an impressive \$9,038.44 in support of the renovation of our palliative care rooms.

The CHSLD recreation team also organized several successful fundraising activities with the support of partners and volunteers. On two occasions, cupcake sales featuring creations from Roxy & Cakes raised a total of \$2,550, directly supporting resident outings and enhancing their quality of life. In addition, a bag packing activity held at Super C, made possible through the help of dedicated volunteers, raised \$1,030. Together, these initiatives contribute meaningfully to enriching the daily lives of residents.

OUR ACHIEVEMENTS

We purchased several pieces of equipment for our CHSLD, including a mobile wheelchair base, two shower chairs, seven geriatric chairs, and four sit-to-stand lifts, representing an investment of more than \$49,000. These acquisitions help improve the comfort and safety of residents while also supporting staff in the delivery of daily care.

We also invested more than \$18,133 to provide neuropsychological assessments for youth aged 6 to 18 across the MRC of Argenteuil. This support helps identify their needs, promotes appropriate interventions, and contributes to their development, academic success, and overall well-being.

In addition, we invested \$60,000 in the renovation of the CHSLD courtyard to provide a safer, more accessible, and welcoming outdoor environment for residents, their families, and staff. These improvements allow residents to enjoy a space designed for relaxation, social interaction, and improved quality of life, while also offering a pleasant setting for family visits and outdoor activities.
